AQUATOR

DESIGN BY AQUATOR 2002

Antibes belongs to Aquator's "**Côte d'Azur**" collection, which was born thanks to the unforgettably romantic southern coast of France - Mediterranean nature in autumn, friends and wine...

FEATURES

- Double-sided seating possibility - two different back and/or foot massages.
- Massage with the same amount of power as a therapeutic tub.
- Spine protected from strong, direct hydro-massage.
- Special adjustable lumbar massage.
- Aquator Touch-screen. Unique driving system, which makes using the various massage baths more comprehensive, precise and delicate. Extremely comfortable to use.
- Price includes all possible massage components (back, side and foot massage).
There are 16 hydro-jets and 17 air-jets in total.
- Only top quality components and materials are used in production (Koller - Austria, Lucite - Great Britain, Röhm-Degussa - Germany).
- DME Award 2007 (Design Management Europe Award 2007).
