AQUATOR

DESIGN BY AQUATOR 2007

Pablo 170 belongs to Aquator's **"Rustica"** collection, and is inspired by the wear marks on old stairs and doorsills. These marks of character bring to mind the echoes of time passed and the people who have used them.

FEATURES

- Powerful hydro- and aero-massage.
- Special pillow ensures the neck muscles are relaxed in every position.
- Spine protected from strong, direct hydro-massage.
- Aquator Touch-screen. Unique driving system, which makes using the various massage baths more comprehensive, precise and delicate. Extremely comfortable to use.
- Price includes all possible massage components (back, side and foot massage).
There are 14 hydro-jets and 14 air-jets in total.
- Only top quality components and materials are used in production (Koller - Austria, Lucite - Great Britain, Röhm-Degussa - Germany).
- DME Award 2007 (Design Management Europe Award 2007).
