AQUATOR

DESIGN BY AQUATOR 2010

Claude 150 belongs to Aquator's "Armchair" collection. We have put our extensive know-how about professional therapeutic tubs to use.

FEATURES

- Massage with the same amount of power as a therapeutic tub, which is based on the experience obtained from development, production and extensive use in medical institutions.
- Extremely comfortable position + armrests.
- Special pillow ensures the neck muscles are relaxed in every position.
- Spine protected from strong, direct hydro-massage.
- Aquator Touch-screen. Unique driving system, which makes using the various massage baths more comprehensive, precise and delicate. Extremely comfortable to use.
- Price includes all possible massage components (back, side, hand and foot massage).
There are 28 hydro-jets and 14 air-jets in total.
- Only top quality components and materials are used in production (Koller – Austria, Lucite – Great Britain, Röhm-Degussa – Germany).
